Pacific Coast Taekwondo Schools Ltd

Transported After School, Mixed & Traditional Martial Arts Since 1988

Our Summer Camps

"A PREMIUM PROGRAM"

AVAILABLE to all Students 6 -14. They do not need to be a member of our School nor have martial arts experience. However, like our regular Martial Arts classes, this program is single focused in teaching life-skills, character and self empowerment. Each student is engaged in a meaningful way. We only accept students for martial arts, we don't provide daycare and we have no interest in simply preoccupying these students. Beginners are our specialty. Supervision and instruction only by certified, highly qualified adult Black Belts. Our Founder, GrandMaster Witt is personally in attendance, participating in all facets of our camps.

TRANSPORTATION... Fun, Safe & Secure... We live in the 'Cancun' of Canada and with so much to see and do in the lower mainland alone, we are super mobile with our fleet of certified buses. EVERY DAY, we visit different beaches, lakes, parks and exhibits... You'll find us anywhere from Cultus lake to Britannia beach, Maple Ridge to the white sands of Vancouver's English Bay and White Rock. An integral part of our camps, there is no way your child will have to ride Public Transit to get around where they could be exposed to possible risk. Our buses are private use only, not for hire and only carry our registered students. Our Camps are Premium, no corners are cut to save a buck, especially in the safety of your child. Parents will drop their children at our studio door mornings. We do not transport students to or from their homes.

CAMP ARRIVAL DROP & PICKUP TIME Drop from 8:00 - 9:00am. Pickup time by 5:30 pm. Sorry, no single or partial day rates. Minimum 2 days bookings. Typical day is 9.5 hours.

FREE CAMP PICTURE BOOK DVD! We take hundreds of pictures and mini-videos of our Camp activities. At the end we give each Student/Family a free DVD with all the pictures & videos of their camp adventures!

OUR MAXIMUM CAMP NUMBER is 18 students. *We strongly suggest an additional \$5 be carried per student for possible incidentals. We do not supply food or drink, although Master Witt makes a wicked Thursday morning pancake breakfast including milk and juice boxes!

EQUIPMENT & supplies students will need include: Comfortable-flexible clothing & footwear for the day, an extra t-shirt, warm jacket, swimsuit, 1-2 juice boxes, a nutritious lunch, fruit, etc. (please no Lunchables!) sunglasses, sun block. Homework and/or reading material. Any special instructions should be sent along written or typed. We strongly recommend all student items be marked or labeled. Personal items can be brought at the individual's personal risk. A bag to hold the student's items. Uniforms are not required for new students or short term, but clothing should facilitate free movement.

DAY CAMP CONTENT INCLUDES: A Free embroidered PCT T-Shirt, Picture Book DVD, Martial Arts classes, including exciting demonstrations, self-defense training, 'Bully-Stop' practice & discussion, tumbling and fun drills. Social time, reading/homework time, group lunchtime, FREE DAILY FIELD TRIP TRANSPORTATION... Bus trips (tours, field trips, hiking, swimming, pools, lakes, beaches or other destinations), Movie Matinee & popcorn!, Access to Games (Checkers, Chess, Backgammon, Nintendo), ALSO... we may have guest speakers, instructors or related fun workshops. We have a significant student library and lounge with computers.

FEES: Our fees are equivalent to local childcare costs yet give outstanding value far beyond. Family rates are 50% off for additional (under the same roof) family members! Extended family (cousins) are -20%. We are a Premium program.
